Welcome to Middlesex Middle School! The pages found in the front section of this planner are written for the students and their parents. They contain required and useful information. They are designed to answer many questions that students and parents have regarding the school.

The planner is a tool which, when used properly, can help a student be successful in school. We ask that students write their assignments and their activities in the planner each day. We also ask that parents use this planner to assist their children with their organization and schoolwork. When used properly, the planner can be a wonderful communication tool.

The school rules, regulations and disciplinary procedures are included in this planner. Please read and discuss the contents with your child. Then, please sign below to indicate that you have done this and return the bottom portion of this page with your child to his/her homeroom teacher.

Thank you and we hope that you have a successful year at Middlesex Middle School.
